Local dissemination has been made to Secret Service, New Haven.

AUSA ALBERT S. DABROWSKI advised of facts and he requested no investigation in NHO; he was, however, concerned that Senators [redacted] CHURCH, and [redacted] be advised of threat in the event they plan travel to Mexico or Cuba. NHO conducting no further investigation.

For information FBI Lab, a Spanish-speaking SA in the NHO noted that the wording of the letter appears deliberately stilted, and the abbreviation [redacted] in the signature (for [redacted]) is unusual, being normally abbreviated [redacted] and may indicate the writer is not a native Spanish speaker.

Enclosed for the Bureau are 7 copies of an LHM dated and captioned as above. Two copies are designated for Legat, Mexico City. Also enclosed for FBI Lab are original of extortionate letter and envelope.

Local dissemination has been made to Secret Service, New Haven.

AUSA ALBERT S. DABROWSKI advised of facts and he requested no investigation in NHO; he was, however, concerned that Senators                      CHURCH, and                      be advised of threat in the event they plan travel to Mexico or Cuba. NHO conducting no further investigation.

For information FBI Lab, a Spanish-speaking SA in the NHO noted that the wording of the letter appears deliberately stilted, and the abbreviation "Lico" in the signature (for "Licenciado" or "Attorney") is unusual, being normally abbreviated "Lco" or "Lcdo", and may indicate the writer is not a native Spanish speaker.

Bureau is requested to communicate details of threat to named Senators, possibly correlating other similar letters.

FBI Lab is requested to compare letter with others in anonymous letter file.

[REDACTED] has received no other correspondence from Mexico in the past three years, with the exception of these two enclosed letters. It is therefore believed, that there may possibly be a connection between these two letters, in that both letters are highly derogatory to Senator FRANK CHURCH and other members of the U. S. Congress.

It is noted that the letter received on 6/7/76 by Congressman MILFORD'S office, was also received on approximately the same date by U. S. Congressman BROCK ADAMS, Seattle, Washington, and DANIEL MOYNIHAN, candidate for the U. S. Senate from New York.

REQUEST OF THE BUREAU

The Identification Division, Latent Fingerprint Section is requested to process the enclosed materials for latent fingerprints of value and to compare any developed with known specimens contained in the single fingerprint file. The Latent Fingerprint Section is additionally requested to forward the enclosed materials to the FBI Laboratory upon conclusions of the requested examinations.

The FBI Laboratory is requested to compare the enclosed letters with those contained in the known anonymous note file. The FBI Laboratory is additionally requested to examine the postmark on the envelopes containing both letters to determine the origin of these postmarks. The FBI Laboratory is also requested to examine the typewritten page contained in the letter received 6/7/76, with the typewritten page of the letter received by Congressman MILFORD'S office on 6/21/76, and to determine if the same typewriter was used to prepare each of these pages.

Upon conclusion of the requested examinations, it is requested that the enclosed materials be returned to the contributor.

Enclosed for the Bureau is the original and for Legat, Mexico City, two copies of a letter received by Senator JOHN L. MC CLELLAN.

For the information of the Bureau and Legat, Mexico City, [REDACTED] office, [REDACTED] made available to SC [REDACTED] the enclosed letter advising that it had been received in the routine mail received at [REDACTED] office on 7/15/76. It is noted that the xerox copy of the letter shows pictures of [REDACTED] and Senator FRANK CHURCH, which appeared in the newspaper, "The News", Mexico City, April 17, 1976, and The Associated Press, Mexico, DF, El Excelsior, 5/19/76, respectively. This letter refers to Senator CHURCH, his committee, and other bad politicians in the United States causing problems concerning the relationship between Cuba, and Mexico City, referring to LEE HARVEY OSWALD and of the fact that "bad politicians" may have their throats cut if they come to Mexico or Cuba. This letter also refers to the fact that additional copies are being sent to "our comrades (Chicano and black) in United States and whites Tambien".

It is further noted that the letter was apparently mailed from Mexico, costing \$1.60 and the reverse side of the envelope bears the number 60. The number 60 possibly refers to the fact that this was the 60th letter sent out by this individual.

On 7/16/76, AUSA SANDRA M. HARPER, USA's Office, Little Rock, was furnished a copy of the letter which she read and after reviewing same, is of the opinion that the letter does not constitute an individual threat but is of a general nature which may be referred to any politician going either to Mexico or Cuba. Additional copies are being furnished the Bureau in the event other copies of this threatening letter surface in the future and it is necessary to advise other Offices of investigation already conducted.

Enclosed for WFO are six copies of the above described LHM as requested previously by WFO for appropriate dissemination.

Enclosed for other receiving Offices are two copies of this LHM.

Subsequent to the receipt of this threatening letter by Congressman DALE MILFORD's office, three additional letters were received by that office on June 21, 1976, all of which were contained in one envelope which bore Mexican postage. The three letters are generally critical of Senators FRANK CHURCH and [redacted] but contain no threats and make no reference to the threatening letter previously received by Congressman MILFORD. One of these letters bore the signature [redacted] and all of these letters indicated the sender was affiliated with "Operacion Protein, Tenancingo, Mexico". Investigation by the San Francisco Division reflects [redacted] age [redacted] is a prolific letter writer who resides in Mexico and who is involved in Operation Protein, a program to improve nutritional habits of Mexican youth. According to an individual who knows [redacted] the threatening letter initially received by Congressman MILFORD would not have been sent by [redacted] as this type of activity is inconsistent with [redacted] character. b7C

Examination of these three letters by the FBI Laboratory has failed to associate any of these letters with the threatening letter which was initially received by Congressman MILFORD. It is therefore extremely doubtful these letters are related and no further efforts in this regard are being undertaken.

DL 9-3334

On 8/16/76, the facts of captioned matter were discussed with AUSA, NDT, Dallas, Texas, who declined to prosecute this matter federally.

Each receiving Office should insure the facts of this matter are discussed with a representative of the U. S. Attorney's Office in all those judicial districts in which the threatening letter from the UNSUB was received, for consideration of prosecution under the Extortion statute.

Copies of the enclosed LHM are being provided to U. S. Secret Service, Dallas, Texas, under separate cover.

No further investigation is being conducted in captioned matter by Dallas.
